Campbell's Operative Orthopaedics: 4-Volume Set, 12e By S. Terry Canale MD, James H. Beaty MD

Campbell's Operative Orthopaedics, by Drs. S. Terry Canale and James H. Beaty, continues to define your specialty, guiding you through when and how to perform **every state-of-the-art procedure that's worth using**. With **hundreds of new procedures, over 7,000 new illustrations**, a vastly expanded **video collection**, and new **evidence-based criteria** throughout, it **takes excellence to a new level**...because that is what your practice is all about.

- **Achieve optimal outcomes with step-by-step guidance on today's full range of procedures** from Campbell's Operative Orthopaedics - the most trusted and widely used resource in orthopedic surgery - authored by Drs. S. Terry Canale, James H. Beaty, and 42 other authorities from the world-renowned Campbell Clinic.
- **Access the complete contents online with regular updates, view all the videos, and download all the illustrations** at www.expertconsult.com.
- **See how to proceed better than ever before** with 45 **surgical videos** demonstrating hip revision, patellar tendon allograft preparation, open reduction internal fixation clavicle fracture, total shoulder arthroplasty, total elbow arthroplasty, and more - plus **over 7,000 completely new step-by-step illustrations and photos** commissioned especially for this edition.
- **Make informed clinical choices for each patient**, from diagnosis and treatment selection through post-treatment strategies and management of complications, with new **evidence-based criteria** throughout.
- **Utilize the very latest approaches in hip surgery** including hip resurfacing, hip preservation surgery, and treatment of hip pain in the young adult; and get the latest information on **metal-on-metal hips** so you can better manage patients with these devices.
- **Improve your total joint arthroplasty outcomes** by reviewing the **long-term data** for each procedure; and consider the pros and cons of new developments in **joint implant technology**, including "customized" implants and their effect on patient outcomes.
- **Implement new practices for efficient patient management** so you can accommodate the increasing need for high-quality orthopaedic care in our

aging population.

Editorial Review

Review

"Ultimately, comparing this to other books is not possible because *Campbell's* truly stands alone in the market. The best exercise is not to compare it to other books, but rather to compare it to its previous editions. In this regard, it is a significant upgrade to the 10th and 11th, and worthy of purchase. If you are still depending on an older edition, then you really need to get up to date and return to the roots that you were taught in orthopedic training. *Campbell's* has been a foundation of orthopedic education for many years, and the newest version drives home the fact that it will remain the key reference for the foreseeable future." - Mark R Hutchinson, MD(University of Illinois at Chicago College of Medicine) **Doody 5 stars**

Users Review

From reader reviews:

Angela Heller:

This Campbell's Operative Orthopaedics: 4-Volume Set, 12e book is just not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is usually information inside this reserve incredible fresh, you will get info which is getting deeper anyone read a lot of information you will get. This specific Campbell's Operative Orthopaedics: 4-Volume Set, 12e without we comprehend teach the one who looking at it become critical in pondering and analyzing. Don't possibly be worry Campbell's Operative Orthopaedics: 4-Volume Set, 12e can bring when you are and not make your tote space or bookshelves' turn out to be full because you can have it with your lovely laptop even cell phone. This Campbell's Operative Orthopaedics: 4-Volume Set, 12e having fine arrangement in word along with layout, so you will not feel uninterested in reading.

Roberto Fetter:

Here thing why this Campbell's Operative Orthopaedics: 4-Volume Set, 12e are different and trustworthy to be yours. First of all reading through a book is good but it really depends in the content of it which is the content is as tasty as food or not. Campbell's Operative Orthopaedics: 4-Volume Set, 12e giving you information deeper and in different ways, you can find any e-book out there but there is no book that similar with Campbell's Operative Orthopaedics: 4-Volume Set, 12e. It gives you thrill reading journey, its open up your own eyes about the thing which happened in the world which is probably can be happened around you. Tiffany Hernandez:

Now a day individuals who Living in the era wherever everything reachable by talk with the internet and the resources in it can be true or not call for people to be aware of each facts they get. How people have to be smart in acquiring any information nowadays? Of course the correct answer is reading a book. Reading through a book can help people out of this uncertainty Information mainly this Campbell's Operative Orthopaedics: 4-Volume Set, 12e book because this book offers you rich info and knowledge. Of course the information in this book hundred per cent guarantees there is no doubt in it you probably know this.

Karl Wolfe:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Campbell's Operative Orthopaedics: 4-Volume Set, 12e can make you truly feel more interested to read.
