For the Love of Women: Gender, Identity and Same-Sex Relations in a Greek Provincial Town By Elisabeth Kirtsoglou

This extraordinary book opens up the strange world of the 'parea' - a lesbian secret society based in a small-town bar outside Athens, whose members meet clandestinely to drink, dance and flirt. Though conducting intense sexual affairs under the noses of other customers, the parea's members - many of whom are married with children and have perfectly conventional lives by Greek standards - do not identify themselves as gay and have very negative images of homosexuality. Based entirely on fieldwork within the parea, *For The Love of Women* weaves stories of women's lives and relationships into an intriguing and perceptive analysis
