On Tide Mill Lane (Little House) By Melissa Wiley

Boston's Little House Girl

Meet Charlotte Tucker, the little girl who would grow up to be Laura Ingalls Wilder's grandmother.

Winter is coming, and Charlotte's days are filled with cornhusking and candle dipping and helping Mama mind baby Mary. But the war is still going on, and Charlotte worries about Will, Papa's striker, who is marching north with the militia. Then one day Charlotte hears bells ringing from Boston, and that night every building in the town common is lit up with candles. Could it be that peace has finally come?

On Tide Mill Lane is the second book in *The Charlotte Years*, an ongoing series about another spirited girl from America's most beloved pioneer family.

Editorial Review

From [Booklist](#)

Gr. 4-8. Laura Ingalls Wilder's Little House books have been extended in time and place as the publisher links "The Charlotte Years" to "The Laura Years" as series titles. Charlotte lives in Roxbury, Massachusetts, where her father runs a forge and most of the young men are off fighting in the War of 1812. Charlotte's parents are Scottish, and her strong and winsome mother sings Scots airs at her loom. Wiley tries for the warmth and wealth of detail that make the Little House books so perennially appealing, and mostly she succeeds. There's a tender sentimentality about family ties, siblings, friends, and neighbors, and there's lots about custom and work: we see candles made, corn husked, samplers started, and school as secondary to work that must be done at home. German neighbors of Charlotte's family introduce the idea of a Christmas tree at a time when Christmas was not much of a holiday in New England, an infected splinter almost costs Charlotte's brother his life, and a hurricane wrecks the roof. From the Back Cover

Winter is coming, and while Charlotte is busy helping Mama take care of the house and care for her baby sister Mary, she's also worried about her friend Will who is marching north with the militia. Then comes a sign that the war may be over! Is Will still safe? When will he be home? And how much longer must his sweetheart, Charlotte's teacher, wait for him?

About the Author
