Editorial Review

From the Back Cover

Get Full Details on the Latest Release from Oracle

Prepare for the future of e-business with Oracle9i and the comprehensive information contained in this volume. Packed with insider tips and real-world examples, *Oracle9i: A Beginner's Guide* starts with an overview of Oracle's history and product strategy, moves on to beginner-level PL/SQL and DBA concepts, and concludes with in-depth coverage of more advanced data management and manipulation techniques. It's all here--from setting up, querying, and managing your database to creating forms, reports, and tables, securing users and objects, and partitioning data. Plus, you'll get unique, all-new coverage of SQL*Plus, Oracle Enterprise Manager, and the Oracle Summary Machine.

- Get a detailed look at the Oracle9i Database and an overview of Oracle9i Application Server
- Exploit Oracle Support Services and resources--TARs, MetaLink, iTARs, Oracle Technology Network, and AppsNet
- Create tables, generate reports, and develop applications with SQL, SQL*Plus, and PL/SQL
- Understand the part played by data files, redo logs, and control files
- Interconnect vast numbers of computers using distributed processing, Oracle Net, and database links
- Manage larger tables using data warehousing and the Oracle Summary Machine
- Build database objects using DDL and DML statements

About the Author

Michael S. Abbey (Ottawa, CN) has been using Oracle for 15 years, has co-authored seven books for Oracle Press, and has given presentations on Oracle throughout North America and Europe. Michael leads the Pythian Group's dbaSource team in Ottawa, Canada, which provides Internet-based Oracle DBA support. He has also been a volunteer in Oracle user groups, facilitating delivery of IOUG-A's IOUG-A Live! from 1997 to 2000.

Michael Corey is the Founder and Chief Executive Officer of Ntirety L.L.C. (www.ntirety.com) located in Newton, Massachusetts, Ntirety specializes in Remote Database Administration. Prior to founding Ntirety Mike co-founded Database Technologies, the first consulting company on the East Coast to specialize in Oracle and other relational databases. Under Mike's direction, Database Technologies experienced triple-digit growth. In 1997 Deloitte & Touche, and Hale and Dorr recognized Database Technologies as the fastest growing Technology Company in New England and the 51st fastest growing hi-tech company in the United States. Mr. Corey is a recognized expert on Relational Databases and Data Warehousing. He has written a number of articles and books. Mike is a frequent guest speaker at technology conferences throughout the world. In addition to being an entrepreneur and writer, Mr. Corey is a founding member of a number of Oracle groups, including Oracle User Resource, Oracle World Wide Affinity Program and the Oracle Presidents' Council. He is a past president of the International Oracle User Group, Northeast Oracle Users Group,. He is also a past member of the Board of Directors for the International Oracle User Group – Americas and a member of the Microsoft Corporation Data Warehousing Advisory Group. Mr. Corey has a B.S. in Management Information Systems from Bentley College, in Waltham, Massachusetts. He has also attended the Entrepreneurial Management program at Babson College in 1995, 1996, 1997 and 1998. Feel free to contact Mike at michael.corey@ntirety.com.

Ian Abramson (Toronto, CN) is CTO of Data Ware-housing for Data Visions Incorporated. He has 14 years' experience as an Oracle architect, designer, developer, and DBA. Ian has focused on data ware-housing for the past five years. As the director of educational programming for the IOUG–A, he has created top-notch educational programs for the Oracle user community. He presents at Oracle conferences worldwide and is a faculty member of the IOUG–A University Master Class program.

Users Review

From reader reviews:

Beverly Dyar:

The particular book Oracle9i: A Beginner's Guide will bring someone to the new experience of reading any book. The author style to describe the idea is very unique. When you try to find new book to see, this book very ideal to you. The book Oracle9i: A Beginner's Guide is much recommended to you to learn. You can also get the e-book through the official web site, so you can quicker to read the book.

Mary Bunnell:

Your reading sixth sense will not betray a person, why because this Oracle9i: A Beginner's Guide book written by well-known writer we are excited for well how to make book that could be understand by anyone who also read the book. Written throughout good manner for you, still dripping wet every ideas and producing skill only for eliminate your own personal hunger then you still skepticism Oracle9i: A Beginner's Guide as good book not merely by the cover but also through the content. This is one publication that can break don't evaluate book by its deal with, so do you still needing another sixth sense to pick this specific!?! Oh come on your reading through sixth sense already alerted you so why you have to listening to one more sixth sense.

Jerry Smith:

Many people spending their period by playing outside with friends, fun activity using family or just watching TV the entire day. You can have new activity to shell out your whole day by reading through a book. Ugh, do you think reading a book can definitely hard because you have to take the book everywhere? It alright you can have the e-book, delivering everywhere you want in your Smartphone. Like Oracle9i: A Beginner's Guide which is having the e-book version. So , try out this book? Let's see.

Rhonda Kirby:

In this particular era which is the greater individual or who has ability in doing something more are more important than other. Do you want to become considered one of it? It is just simple strategy to have that. What you have to do is just spending your time not much but quite enough to possess a look at some books. On the list of books in the top checklist in your reading list is definitely Oracle9i: A Beginner's Guide. This book that is certainly qualified as The Hungry Inclines can get you closer in becoming precious person. By looking right up and review this e-book you can get many advantages.
