### The Vine of Desire By Chitra Banerjee Divakaruni

THE VINE OF DESIRE is the story of Anju and Sudha, two young women far from Calcutta, the city of their childhood, and who after a year of living separate lives are rekindling their friendship in America. The deep-seated love they feel for each other provides the support each of them needs. It gives Anju the strength to pick up the pieces of her life after a miscarriage, and Sudha the confidence to make a life for herself and her baby daughter, Dayita - without her husband. The unlikely relationships they form with men and women in the world outside the immigrant Indian community as well as their families in India profoundly transform them, forcing them to question the central assumptions of their lives, especially when they must confront the deeply passionate feelings that Anju's husband has for Sudha. THE VINE OF DESIRE is a novel of extraordinary depth and sensitivity. Through the eyes of people caught in the clash of cultures, Divakaruni reveals the rewards and the perils of breaking free from the past and the complicated, often contradictory emotions that shape the passage to independence.
