Editorial Review

Review

“Clear, distinct, and lucid in the extreme, *Woven Gold* is positively Cartesian. . . . The reproductions of the exhibited tapestries, their accompanying images and superb selection of details—even the woven gold cloth of the hard cover, makes for a beautiful book, as well as a great Franco-American collaborative achievement.”—*Burlington Magazine*

“Lavishly illustrated, the volume presents for the first time in English the latest scholarship of the foremost authorities working in the field.”—*Apollo Magazine*
