Cloaked By Alex Flinn

I'm not your average hero. I actually wasn't your average anything. Just a poor guy working an after-school job at a South Beach shoe repair shop to help his mom make ends meet. But a little magic changed it all.

It all started with the curse. And the froggnapping. And one hot-looking princess, who asked me to lead a rescue mission.

There wasn't a fairy godmother or any of that. And even though I fell in love along the way, what happened to me is unlike any fairy tale I've ever heard. Because before I knew it, I was spying with a flock of enchanted swans, talking (yes, talking!) to a fox named Todd, and nearly trampled by giants in the Keys.

Don't believe me? I didn't believe it either. But you'll see. Because I knew it all was true, the second I got cloaked.

Editorial Review

From School Library Journal

Gr 6-9-Flinn reimagines a fairy-tale world in her latest novel. Teenaged Johnny works as a cobbler in his mother's shoe repair shop in a posh hotel in South Beach. He spends his days with his friend Meg and designs his own line of shoes while dreaming of wealth to free his family from the confines of poverty. Unexpectedly, the striking Princess Victoriana of Aloria comes to the swanky Miami hotel for a royal visit. The super-hot partying princess pleads for Johnny's help in finding her missing brother, and offers of money and a royal marriage convince him to take her seriously-even when she explains that the prince has been turned into a frog. With the aid of a magical cloak and some headphones that allow him to hear animals speak, Johnny embarks on a journey wherein he encounters talking swans, a fox named Todd, and two angry giants. When he lands in hot water with an evil witch bent on destroying him, Meg comes to his rescue. The pair journey from South Beach to Key West, to Europe, and to Manhattan; and in the end, Johnny finds wealth, fame, and true love. Flinn cleverly plays on some lesser-known fairy tales to make this book a fun, romantic adventure with likable characters. Rapid action and amusing situations make it a quick read that will easily entice even reluctant readers.-Tara Kehoe, Plainsboro Public Library, NJ (c) Copyright 2010. A princess, a cobbler, a witch, and modern-day South Beach mash up in Flinn's latest fairy-tale retelling. Johnny works tirelessly in a luxury hotel's shoe-repair shop, dreaming of becoming a high-end shoe designer. He sees an opportunity to get his shoes on famous feet when a hard-partying European princess moves in. Victoriana notices Johnny, too, and thinks he is just the one to find her brother, Prince Philippe, who was turned into a frog as blackmail for Victoriana's hand in marriage. She gives Johnny a fistful of cash, a transporting cloak, and an earpiece that allows him to understand animals that used to be human, which are a lot more plentiful in Florida than he ever imagined. Instead of a well-known classic, several lesser-known tales combine here to give the book a nice blend of the familiar (the frog who needs a kiss to transform) and the novel (how will a puny kid best two giants?). Readers will keep turning pages to figure out just how many transmogrifications Johnny can resolve, and whose dreams will come true. Grades 6-10. -Heather Booth

About the Author

Alex Flinn loves fairy tales and is the author of the #1 *New York Times* bestselling *Beastly*, a spin on *Beauty and the Beast* that was named a VOYA Editor's Choice and an ALA Quick Pick for Reluctant Young Adult Readers. *Beastly* is now a major motion picture starring Vanessa Hudgens. Alex also wrote *A Kiss in Time*, a modern retelling of *Sleeping Beauty*; *Cloaked*, a humorous fairy-tale mash-up; *Bewitching*, a reimagining of fairy-tale favorites, including *Hansel and Gretel*, *Cinderella*, *The Princess and the Pea*, and *The Little Mermaid*, all told by Kendra, the witch from *Beastly*; *Towering*, a darkly romantic take on *Rapunzel*; and *Mirrored*, a fresh spin on *Snow White*. Her other books for teens include *Breathing Underwater*, *Breaking Point*, *Nothing to Lose*, *Fade to Black*, and *Diva*. She lives in Miami with her family. Visit her online at www.alexflinn.com.

Users Review

From reader reviews:

Esther Ponce:

This Cloaked book is not ordinary book, you have it then the world is in your hands. The benefit you obtain by reading this book is information inside this book incredible fresh, you will get data which is getting deeper anyone read a lot of information you will get. This Cloaked without we understand teach the one who studying it become critical in thinking and analyzing. Don't always be worry Cloaked can bring when you are and not make your carrier space or bookshelves' turn out to be full because you can have it inside your lovely laptop even mobile phone. This Cloaked having great arrangement in word along with layout, so you will not feel uninterested in reading.

Julia Gilmore:

The e-book untitled Cloaked is the publication that recommended to you to read. You can see the quality of the e-book content that will be shown to you actually. The language that writer use to explained their ideas are easily to understand. The writer was did a lot of exploration when write the book, hence the information that they share to you is absolutely accurate. You also will get the e-book of Cloaked from the publisher to make you far more enjoy free time.

Kurt Chapman:

Playing with family in the park, coming to see the coastal world or hanging out with pals is thing that usually you will have done when you have spare time, subsequently why you don't try matter that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love Cloaked, it is possible to enjoy both. It is great combination right, you still want to miss it? What kind of hangout type is it? Oh occur its mind hangout people. What? Still don't get it, oh come on its named reading friends.

Tony Hogan:

Are you kind of busy person, only have 10 or even 15 minute in your day time to upgrading your mind skill or thinking skill actually analytical thinking? Then you are having problem with the book compared to can satisfy your short period of time to read it because pretty much everything time you only find book that need more time to be examine. Cloaked can be your answer since it can be read by you who have those short free time problems.
