Effective Problem Solving (2nd Edition) By Marvin Levine

For freshman through senior-level courses on Critical Thinking, Cognition, or Problem Solving.

- This brief survey of creative problem solving offers a collection of specific, practical procedures that one should use for various classes of problems – ranging from machines that need repairing, to mathematical puzzles, engineering problems, poorly defined industrial problems, comprehending lectures and reading, remembering information, invention, and difficulties between people.
- The principles – which are based on research and theory in cognitive psychology – are applied to problems in daily living and focus on how to overcome one's own limitations in trying to solve a problem. Students thus learn principles for dealing with problems as well as what it is about themselves that can make the problem more or less difficult.

Editorial Review

From the Publisher

This brief survey of creative problem solving offers a collection of specific, practical procedures that one should use for various classes of problems -- ranging from machines that need repairing, to mathematical puzzles, engineering problems, poorly defined industrial problems, comprehending lectures and reading, remembering information, invention, and difficulties between people. The principles -- which are based on research and theory in cognitive psychology -- are applied to problems in daily living and focus on how to overcome one's own limitations in trying to solve a problem. Students thus learn principles for dealing with problems as well as what it is about themselves that can make the problem more or less difficult.

From the Back Cover

This brief survey of problem solving applies a series of prescriptive principles to a wide range of domains, including appliance repair, mathematics, logic puzzles, reading comprehension, remembering, invention, and interpersonal problems. The sheer breadth of application makes this an uncommon text.

Users Review

From reader reviews:

Daryl Biddle:

Information is provisions for people to get better life, information these days can get by anyone with everywhere. The information can be a understanding or any news even a problem. What people must be consider whenever those information which is within the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you obtain the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Effective Problem Solving (2nd Edition) as the daily resource information.

Jeremy Brown:

The particular book Effective Problem Solving (2nd Edition) will bring that you the new experience of reading a new book. The author style to describe the idea is very unique. Should you try to find new book to learn, this book very appropriate to you. The book Effective Problem Solving (2nd Edition) is much recommended to you you just read. You can also get the e-book in the official web site, so you can more easily to read the book.

Keith Cochran:

The reason why? Because this Effective Problem Solving (2nd Edition) is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will distress you with the secret the item inside. Reading this book next to it was fantastic author who write the book in such amazing way makes the content within easier to understand, entertaining means but still convey the meaning totally. So , it is good

for you for not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of positive aspects than the other book have got such as help improving your ability and your critical thinking technique. So , still want to postpone having that book? If I ended up you I will go to the reserve store hurriedly.

Deborah Anderson:

Do you really one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you find out the inside because don't determine book by its include may doesn't work at this point is difficult job because you are scared that the inside maybe not as fantastic as in the outside search likes. Maybe you answer is usually Effective Problem Solving (2nd Edition) why because the excellent cover that make you consider regarding the content will not disappoint you actually. The inside or content is usually fantastic as the outside or cover. Your reading sixth sense will directly show you to pick up this book.
