Global Pentecostalism: The New Face of Christian Social Engagement By Donald E. Miller, Tetsunao Yamamori

How and why is Christianity's center of gravity shifting to the developing world? To understand this rapidly growing phenomenon, Donald E. Miller and Tetsunao Yamamori spent four years traveling the globe conducting extensive on-the-ground research in twenty different countries in Africa, Asia, Latin America, and Europe. The result is this vividly detailed book and accompanying online material, which together contain the most comprehensive information available on Pentecostalism, the fastest-growing religion in the world. Rich with scenes from everyday life, Miller and Yamamori dispel many stereotypes about this religion as they build a wide-ranging, nuanced portrait of a major new social movement. The online ancillary material features footage of Pentecostal religious worship, testimony, and social activism, and includes interviews with Pentecostal pastors and leaders from around the world.

From the Inside Flap

"This book is an important contribution. Written in an engaging style and filled with highly instructive material, it provides an impressive picture of what is arguably the most dynamic religious phenomenon of our time: the worldwide explosion of Pentecostalism. Berger, Director of the Institute on Culture, Religion and World Affairs at Boston University

"Miller and Yamamori are explorers bringing word to the First World of a large Third World religious development that, until now, has barely broken the surface of our awareness. This book marks the beginning of what will be a large and significant discussion."—Jack Miles, Pulitzer Prize winner for *God: A Biography*

"*Global Pentecostalism* is immensely important, informative, and readable. The scope of the research is also amazingly impressive. The simultaneously wide-ranging and yet grass-rootsy empirical data collection provides a truly unique character for the book."—Christian Smith, author of *Soul Searching: The Religious and Spiritual Lives of American Teenagers*

"*Global Pentecostalism* is beautifully written and friendly to an audience of practitioners as well as to academic and professional researchers.
