The Winter Bride by USA TODAY bestselling author **Lynne Graham**

Angie loved Leo Demetrios, but his desire for her was brief and meaningless. After all, he was heir to a Greek shipping fortune and she was just the butler's daughter. For over two years Angie has kept secret the legacy of her stolen weekend of passion with Leo. But then she and her small son are forced to spend Christmas with him. Leo is convinced that his cousin is Jake's father, and Angie is torn between telling him the truth and her fear of the consequences. If he does find out, one thing's for certain—he'll demand that Angie become his winter bride.
