### **Jubilee and the Destiny of Nations: Understanding the Lord's Jubilee for Singapore and Beyond** By Li-ann Thio

Whether God judges a nation to be a sheep or goat nation depends on whether it is a righteous nation which fulfills God's plans for its destiny. How it treats Israel is key, as God promised Abraham He would bless / curse the nations that blessed/cursed Israel. In these last days before the Second Coming of Christ, the watchmen on the wall are commissioned to watch and pray. This book explores how the saints are to understand the times and to exercise their executive authority through prayer and prophetic intercession.

The Lord's Jubilee, occurring once every 50 years, is a significant milestone in a nation's walk towards or away from destiny. As Independent Singapore turns 50, the saints must act and intercede for national righteousness, so that our nation may be confirmed on the path to destiny and God's blessings at Jubilee, and attain its call to be the Antioch of Asia.

### **Editorial Review**

#### Review

The prophetic voice of this book is one that is forth-telling with an urgent tone. In the end, the call is for believers to fear and love God, and to keep His commandments wholeheartedly. Doing so will reap welfare for our lives and the land we live in (Deuteronomy 6:1-3). This call resonates greatly within me. --Rick Toh, Lead Pastor, Yio Chu Kang Chapel

The content is spiritually very inspiring and challenging. It is a brilliantly written thesis on Jubilee and the Second Coming of our Lord Jesus Christ. It is also a serious call and challenge for the church to be ready for the return of the Lord in prophetic revival and prayer watch. --Wee Tiong Howe, Founding Senior Elder/Pastor, City Missions Church

Dr Thio has offered her readers an opportunity to see the potential destiny of the nations of this world from a heavenly template. She has given us a glimpse of what it will take to become one of the sheep nations that stands before His throne in the end times of judgment. --Dr Tamara Winslow (ThD, PhD), Founder, Institutes for Biblical Truth, Colorado
